

LIFT'SAFE

**CANADA'S PREMIER INSPECTION
& SERVICE COMPANY**

PROVIDING INSPECTION SERVICES FOR OVER **25 YEARS.**

Liftsafe has provided **inspection services** for **over 25 years.**

Our service and inspection teams are strategically **located across the province** to provide clients with **optimum service** at **competitive pricing**. We continue to invest in our customers by adding software upgrades to our **online management tool & inspection app tracker.**

Liftsafe makes your inspections **simple and easy to manage**. If you haven't used our service, you have not yet experienced an **elite turn-key service!**

OUR PROCESS

TAG IT

We affix a permanent bar code tag to your equipment.

INSPECT IT

We use tablets to complete your inspections, ensuring all inspection points are covered.

STICKER IT

We use colour coded stickers, providing you with a visual aid for assessing what equipment has been inspected.

CERTIFY IT

We provide a detailed certificate for each piece of equipment we inspect.

SEND IT

We send you an automated email after the completion of the job.

ACCESS IT

Upon completion of work, our technicians synchronize their devices allowing you access to your reports within 24hrs.

Call us at **1-800-977-2005** to receive a **no obligation** quote & a **free demo** of our document management tool.

CUSTOMER PORTAL ACCESS:

YOUR COMPLETE **DOCUMENT MANAGEMENT TOOL**
