TUGGERS
CART MOVERS
MOTORIZED CARTS

Our collection of tuggers, cart movers and motorized carts are perfect for use in warehouses and industrial facilities to tow heavy products with ease. Our battery powered units allow operators to move loads throughout your facility without the need for air hook ups and cords on the floor causing a trip hazard.

SM200+

Removes manual handling and drives operational efficiency.

UP TO 4400LBS

ERGO-EXPRESS

Choose from multiple towing capacities, hitches & battery sizes.

CUSTOMIZABLE

MT2000+

Easily push, pull and steer heavy wheeled loads.
